The reply filed on 4/2/2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): See below. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

On 3/26/2002 a restriction was made. On 1/8/2003 an election of species was made. This election was discussed on 3/28/2003. On 4/2/2003 a response was received directed to a table and claim 4 indirectly to compounds with 13 variables and many of those, including all the R groups, undefined. Applicants are required to elect a single disclosed species within Group I and it is suggested to point out a single independent claim directed to that species. Should applicants fail to comply fully again, it will be considered an intentional non-responsive amendment and this application will be abandoned because this is the third directive regarding this matter.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ralph Gitomer whose telephone number is (703) 308-0732. The examiner can normally be reached on Tuesday-Friday from 8:00 am - 5:00 pm.

Serial No. 09/626,566 Art Unit 1651

The examiner can also be reached on alternate Mondays. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Wityshyn can be reached on (703) 308-4743. The fax phone number for this Art Unit is (703) 308-4556. Any inquiry of a general nature or relating to the status of this application should be directed to the Group receptionist whose telephone number is (703) 308-1235. For 24 hour access to patent application information 7 days per week, or for filing applications electronically, please visit our website at www.uspto.gov and click on the button Patent Electronic Business Center for more information.
